

## ***PULSE OF THE INDUSTRY***

FEBRUARY 2019

Greetings,

We hope your 2019 is off to a great start. Much has happened since our Q4 "Pulse of the Industry" edition.

We've rolled out our new website, at [www.pulsa.com](http://www.pulsa.com). Please take a look and share your comments. We hope the new site makes it easier for you to find everything you need about Pulsafeeder products and support offerings. We look forward to your feedback.

We're pleased to report that Modern Pumping Today Magazine has named **PulsaPro** a Top Product for 2018. We've had the opportunity to spend time with the editorial staff of MPT at multiple trade shows last year – and they've been impressed with PulsaPro's small footprint, its simplified commissioning & start up capabilities, and with the pump's ability to survive upset conditions. For these and other reasons, they've awarded PulsaPro their "Top Products" designation.

We're starting to plan our first trade show campaign for 2019 – at OTC in Houston. This year, we're moving into the main hall (booth #1301), and we hope to see you there.

### ***TRADE SHOWS***

See us at the following trade shows:

May 6-9, 2019

TURBOMACHINERY & PUMP SYMPOSIA

September 10-12, 2019

September 21-25, 2019

If you're interested in learning more about how Pulsafeeder is meeting today's water treatment challenges head-on:

- *Opt-in, to receive future editions*
- Make plans to meet us in Houston at OTC, May 6-9
- Or visit us at [www.pulsa.com](http://www.pulsa.com)

Sincerely,  
Axel Bokiba  
Pulsafeeder
